Industrial Automation Repairs

LeKtronix

A Rockwell Automation Business

Why Lektronix

Rockwell Automation recently purchased Lektronix. The technical expertise and location of Lektronix in fast-growing markets means we now offer more repair centers throughout Asia Pacific, so your repair needs can be met more quickly and conveniently. No matter where your facility is located or who originally manufactured the equipment, we can help maximize your plant productivity.

Free Quote

Send your repair for a fixed price, no obligation quotation.

Repairs with Confidence

Our 100% testing process ensures your repairs work first time, every time.

Guaranteed Reliability

All repaired equipment is covered by a comprehensive 12-month warranty.

Worldwide Service

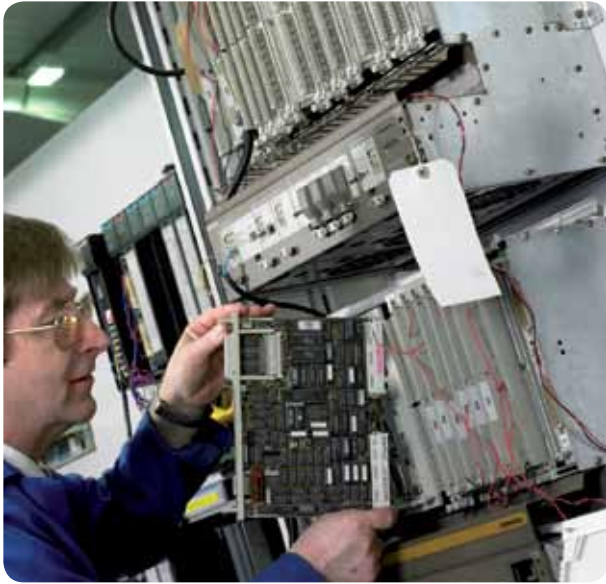

With significant savings against manufacturers' prices, emergency service and comprehensive support contracts, we are just a phone call away.

Lektronix, a Rockwell Automation Business, is a leading provider of industrial, electronic and robotic automation repairs with a strong reputation for the best in technical excellence and customer service.

- Standard fixed prices
- Huge savings against manufacturers' prices
- Check and test service available
- Emergency service
- On-site fault diagnosis
- Worldwide service
- Service exchange available
- Comprehensive support contracts

With many industries increasingly relying on programmable logic controller (PLC) systems, the need for our high-quality, cost-effective repair and management service has never been greater.

- 100% test
- Test programs for almost all makes and types
- 12-month warranty
- On-site service
- All makes supported
- Large resales and service exchange stock available
- Fast turnaround

Siemens

S5 95u, 100u, 110, 115, 130, 135, 150, 155
S7 200, 300, 400 and more.

Allen-Bradley®

PLC2®, PLC5®, SLC™ 500, ControlLogix®, MicroLogix™ and more.

Other Manufacturers

ABB, AEG, GE Fanuc, GEM80, Hartman & Braun, Honeywell, Klockner-Moeller, Koyo, Modicon, Mitsubishi, Omron, Toshiba, Texas Instruments, Schneider, Telemecanique, Schleicher, Square D, Yaskawa and more.

Other PLC Services

Let Lektronix handle your software backup and storage problems with a PLC software management and support contract.

Servo Drive Repairs

Siemens

Simoreg, Simodrive, Sinumerik, 6RA..., 6RB..., 611, 610, and more.

Indramat

TVD, TVM, TDM, TBM, KDS, KDV, KDA, HDS, NAM, DDS, DKC, RAC and more.

Bosch

SM10/20, SM17/35, SM20/30, SM25/50, SM35/70, ASM, SPM, TR, VM and more.

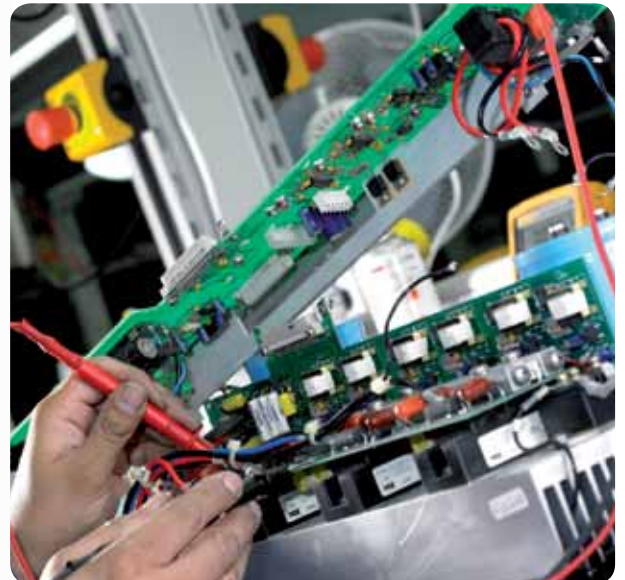

Other Manufacturers

ABB, AEG, Allen-Bradley, Baldor, Baumuller, Contraves, Control Techniques, Fanuc, IRT, Kollmorgen Lenze, Moog, Norwin, Num, Prima Electronics, Sanyo Denki, Seidel, Sprint, Vickers, Yaskawa and more.

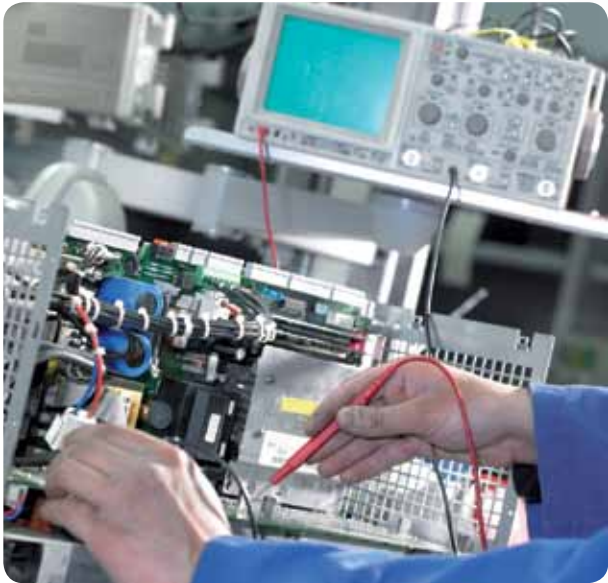

Whether your drive is old or new, our extensive repair capability and 100% testing means you can be confident your drive will work properly the first time, every time.

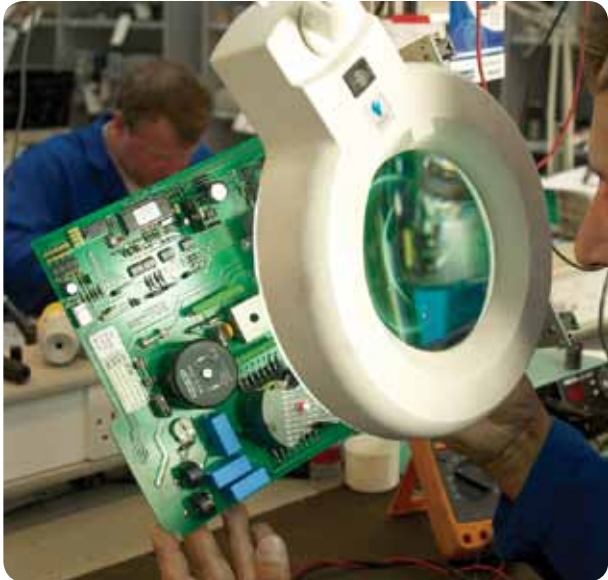

- 100% test
- 12-month warranty
- Check and test service available
- Emergency service
- Load testing
- Large resales and service exchange stock available
- Fast turnaround
- On-site service

Inverter/AC Drive Repairs

For AC variable speed drives from 0.37kw up to 500kw and above, let our inverter repair team solve your problems.

- 100% test
- 12-month warranty
- Load testing
- Programming service
- Worldwide service
- On-site service available

Siemens
Masterdrive, Micromaster, Midimaster, Simovert and more.

Allen-Bradley®
160Z, 1201, 1305, 1331, 1333, 1336 Plus™ II, PowerFlex® 4, PowerFlex® 70, PowerFlex® 700, Ultra 5000 and more.

Danfoss
VLT 2000, VLT 2800, VLT 3000, VLT 5000, VLT 6000, VLT 8000, FC100, FC200 FC300 and more.

Other Manufacturers
ABB, Control Techniques, Eurotherm SSD, IMO, KEB, Lenze, Mitsubishi, Omron, SEW Eurodrive, Telemecanique, Yaskawa, and more.

Display, Monitor, HMI, Industrial PC and Programmer Repairs

Siemens OP

OP15, OP17, OP20, OP 27, OP30, OP37, and more.

Allen-Bradley® PanelView™

PanelView™ 300, 550, 600, 900, 1000, 1200, 1400, 1400e, VersaView®, Osai, Dataliner™, DTAM™, MicroView™ and more.

Other Manufacturers

Beijer Electronics, Modicon, Telemecanique, Lauer, Mitsubishi, Beckhoff, Uniop, Sharp, Proface, Xycom and more.

Industrial PC and Programmers

Full diagnostic and repair service on all makes of industrial PCs and software programmers.

CRT Monitors

KME, Siemens, Fanuc, Mitsubishi, Fagor, NUM, Microvetic, Heidenhain, Matsushita, Sony, Microtouch, and more.

One of the most troublesome parts of any automation system is the display. Whether this is on a machine tool, part of a PLC system or a custom-designed unit, Lektronix offers a comprehensive repair and refurbishment service.

- Standard fixed prices
- Retrofit service
- Huge savings against manufacturers' prices
- Check and test service available
- Emergency service
- On-site fault diagnosis
- Service exchange available

If you want your motors repaired properly, know that Lektronix understands how servo motors interface with machine tool servo systems and can 100% test to ensure correct operation.

- Fixed price quotations
- Free quote
- 12-month warranty
- Fast turnaround
- Check and test service
- On-site services available
- Resale and service exchange stock

Siemens

1FK5, 1FT5, 1FT6, 1FS5, 1GF5, 1GG5, 1GG6, 1GG7, 1GH5, 1GH6, 1GH7, 1HS5, 1HS6, 1HS7, 1HU, 1PH4, 1PH7 and more.

Fanuc

L Series, S Series, Alpha Series, Beta Series, Spindle motors and more.

Other Manufacturers

ABB, Allen-Bradley, Baumuller, Bosch, Control Techniques, Indramat, Kawasaki, Mitsubishi, Omron, Pacific Scientific, Sanyo Denki, SEM, Yaskawa and more.

Other Motor Services

Our state of the art testing facilities ensure we can 100% test tach, resolver and encoder feedback devices.

Industrial Automation Spares

Save Money

Buy our refurbished stock and save up to 50% against manufacturers' prices.

Buy With Confidence

Every item sold is fully refurbished, 100% tested and comes with a 12-month warranty.

Extended Lifecycle

Don't retrofit! – Let us support your obsolete equipment with spare parts.

Save Money On New Spares

Our buying power means we can supply anything, anywhere, any time, at the right price.

Stress-Free Buying

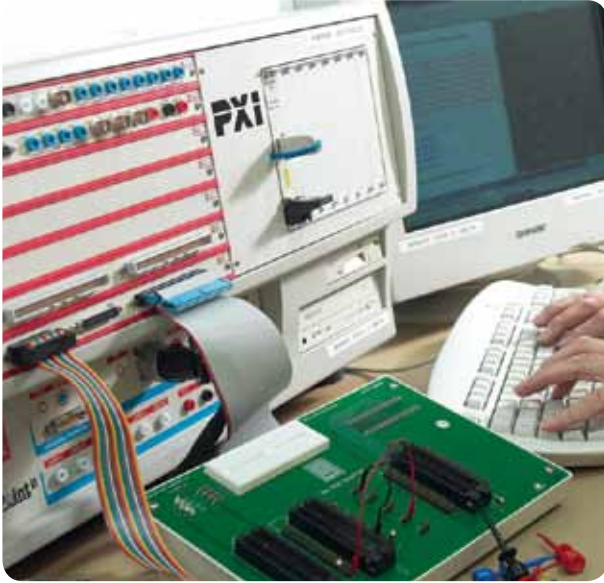

Make life easy, search and buy online with confidence at www.lektronix.net

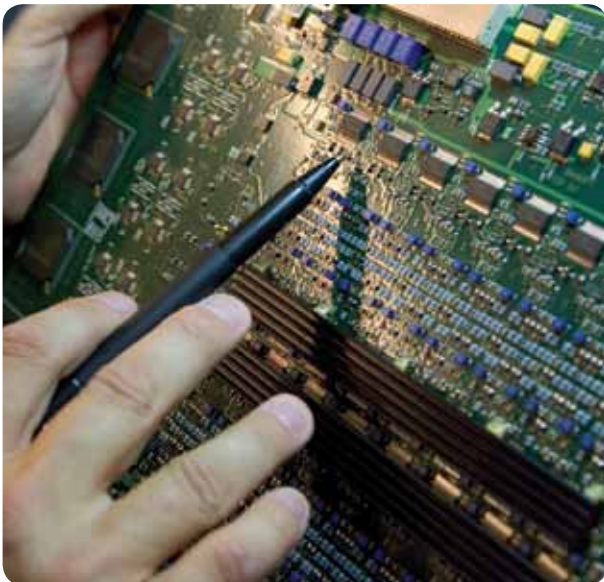

For the largest selection of high-quality industrial automation spares at the right price, contact Lektronix, a Rockwell Automation Business.

- Obsolete spares sourcing
- Enormous stocks of spare parts
- If we don't have it, we will find it
- Worldwide service
- All payment methods accepted
- Priority service available

Many of our customers want a comprehensive service to manage all of their industrial electronic repair needs. Lektronix has risen to this challenge by diversifying into many other areas and gaining the necessary skills for us to offer this service with confidence.

- Standard fixed prices
- Huge savings against manufacturers' prices
- Check and test service available
- Emergency service
- On-site fault diagnosis
- Worldwide service
- Service exchange available
- Plant-wide support contracts

Power Supply Units

All makes of switch mode and linear power supplies. Single output and multi-rail. All 100% tested.

Printed Circuit Boards

Single sided, double sided and multilayer. Both through hole and surface mount technologies catered for with latest rework equipment.

Process Control Instrumentation

All makes of instrument repaired and re-calibrated. Temperature, pressure, flow, humidity, level, etc. all fully tested.

General Electronics

Light guards, sensors, flame failure units, ultrasonic equipment, telecom, modems, and many more.

Test Instrumentation

Multimeters, oscilloscopes, function generators, meggers, tachometers and much, much more.

Siemens and Fanuc Machine Tool Repairs

Siemens Machine Tool Systems

We can support the latest Siemens systems such as the 810D and 840D; analogue and digital drive systems like the 840C; and we offer a 100% test solution for the 810, 820, 850 and 880. We also repair older systems such as System 3 and System 8.

Fanuc Machine Tool Systems

21i, 21, 20, 18i, 18, 16, 15, 11, 6 O-M, O-T, Powermate and more.

Fanuc Alpha, Beta, Spindle and Other Drives

We repair Type A, Type B, FSSB and other alpha and beta drives; alpha spindle drives, S Series, P Series and more; and analogue AC, analogue DC and other drives.

On-Site Repairs

Unsure of what is wrong? Let one of our highly experienced site engineers diagnose the problem.

Repair features for both Siemens and Fanuc include:

- 100% test fixtures
- 12-month warranty
- Extensive inventory of spares
- Service exchange available
- Emergency service
- Software capable
- On-site support

For all Siemens Machine Tool systems, Lektronix has the best equipment, best engineers, best range of spare parts and best facilities. Give us a try! You will not be disappointed.

The repair of Fanuc machine tool systems, axis and spindle drives and servo motors is a specialist activity that we have mastered over many years of sustained effort. With our large range of test fixtures you can be sure of quality service.

Robotic Automation Repairs, Spares and Service

Lektronix covers a huge range of robotic controllers from all the leading manufacturers. Whatever the problem we can get your robot up and running again, quickly and efficiently. We also carry a large selection of high-quality robotic controller spares at significant savings.

- Standard fixed prices
- Huge savings against manufacturers' prices
- Check and test service available
- Emergency service
- On-site fault diagnosis
- Worldwide service
- Service exchange available

Fanuc, Kuka and ABB Robots

Fanuc Rj3, Rj31 and more; Kuka KRC-1, KRC-2, KRC-32 and more; ABB S3 and S4 controls and more.

Staubli, Motoman and Other Manufacturers' Robots

Staubli RX60, RX90, RX130, RX160, RX170, TX40, TX60, TX90, and more; Motoman ERC, MRC, XRC and more; Comau, Reis Robotics, Nachi, Kawasaki and more.

Teach Pendants

We can repair and supply the full range of teach pendants from all the major manufacturers.

Repairs and Spares with Confidence

Every item repaired or sold is 100% tested and comes with a 12-month warranty. We have an enormous stock of spare parts and obsolete spares sourcing. If we don't have it, we will find it. Comprehensive support contracts and priority service available.
